

PRODUCT REQUEST FORM

Dear Store Manager,

As a customer of your store I am requesting that you stock Palo Popcorn, the best tasting gourmet cheddar popcorn I have ever tasted! Palo Popcorn uses pure coconut oil (nature's healthy oil) and real cheddar cheese to make their popcorn stand out from the rest. As an added bonus, their products contain No Trans Fats, No Preservatives, and are Gluten Free.

Please consider carrying Palo Popcorn, I've checked the specific flavors that I'd love to purchase at your store. Thank You!
